Record N/A if member is not a child of 0-6 months
O	Using Family Planning Methods		<u>O. Using Family Planning Methods: 1 =</u>	Record one of the provided numbers i.e. 1 for Modern, 2 for Traditional/ Natural, 3 for None to indicate the family planning method used. This applies to women of reproductive age (15-49 years). Record 4 for N/A if member is not a woman of

S	Fully Immunized	full_immune	✓ = Yes, X = No, NA = NA	Record by marking a tick (✓) when a child of 9-11 months of age in the household was given ALL vaccinations required or (X) if the child was not given ALL vaccinations required. Record N/A if member is not a child aged 9 -11 months
T	Vitamin A given	vitamina	✓ = Yes, X = No, NA = NA	Record by marking a tick (✓) when the child 6-59 months in the household was given Vitamin A in the last 6 months or (X) if the child was not given Vitamin A in the last 6 months. Record N/A if member is not a child aged 6-59 months
U	Children aged 6-23 Months receiving 3 or more food groups three times a day	food_3	✓ = Yes, X = No, NA = NA	Record by marking a tick (✓) when the child in the household aged 6-23 months receives 3 or more food groups per day or (X) if the child does not receive 3 or more food groups per day. Ask what food the child was given over the past 24 hours and determine the food groups in the food provided. Ask question where there are children of less than 24 months of age. Record N/A if member is not a child aged 6-23 months
V	Severely Malnourished (MUAC indicating Red)	smalnaud	✓ = Yes, X = No, NA = NA	Record by marking a tick (✓) when the household child's (6-59 months age) mid upper circumference (MUAC) is red or (X) when the child has MUAC that is not red. Record N/A if member is not a child aged 6-59 months
W	Moderately Malnourished (MUAC indicating Yellow)	modmalana	✓ = Yes, X = No, NA = NA	Record by marking a tick (✓) when the household child's (6-59 months age) mid upper circumference (MUAC) is yellow or (X) when the child has MUAC that is not yellow. Record N/A if member is not a child aged 6-59 months
X	LLIN use	llin	✓ = Yes, X = No	Record by marking with tick (✓) whether the household member slept under a Long Lasting Insecticide Net (LLIN) the night before or (X) when the household member did not sleep under LLIN the night before.
Y	Known Chronic Illness	kchronici	<u>Y. Known chronic illness: 0 = None, 1 = Diabetes, 2 = Cancer, 3 = Mental Illness, 4 = Hypertension, 5 = Chronic Respiratory Diseases, 6 = Other</u>	Record one or more of the numbered illnesses for any known chronic illness observed: 0=None, 1=Diabetes, 2=Cancer, 3=Mental Illness, 4=Hypertension, 5=Chronic Respiratory Diseases, 6=Other. It is a chronic illness if someone has had a diagnosed illness for 1 year or more without healing
Z	Cough (2 Weeks and above)	cough	✓ = Yes, X = No	Record by marking a tick (✓) when the household member has had cough for 2 weeks or longer or (X) when the household member has not had a cough or has had it for less than 2 weeks
AA	Knows HIV Status	hivstatus	✓ = Yes, X = No, NA = NA	Record by marking a tick (✓) when the household member knows his/her HIV status (checked during the past 6 months), or (X) when the household member does not know his/her HIV status. Record N/A for a small child
AB	Disability	disability	<u>AB. Disability: 0 = None, 1 = Visual, 2 = Hearing, 3 = Speech, 4 = Physical, 5 = Mental, 6 = Other</u>	Indicate any identified kind or type of disability for the household member by choosing one or more numbers out of the numbers given i.e. 0=None, 1=Visual, 2=Hearing, 3=Speech, 4=Physical, 5=Mental, 6=Other
	Others ()	others		Record here an indicator that is not part of the list of indicators, but which is of interest to the community e.g. jiggers. Enter the name of the indicator inside the brackets
AC	Other Specific Remarks			Write any other remark which you feel is important for follow-up

HOUSEHOLD

NUMBER	ITEM	Variable Name	Domain values and Description	ITEM DESCRIPTION
1	Household Number	hhno		Enter the number assigned to the current household - as determined during mapping
2	Access to Safe Water	safe_water	✓ = Yes, X = No	Record by marking a tick (✓) when the household has access to safe water or (X) when the household does not have access to safe water
3	Use of Treated Water	watertre	✓ = Yes, X = No	Record by marking a tick (✓) when the household always uses water that is treated or (X) when the household does not use treated water.
4	Hand Washing Facilities	handwash	✓ = Yes, X = No	Record by marking a tick (✓) when the household has hand washing facilities such as Tippy Tap and leaky tin or hand wash basin or (X) when the household does not have hand washing facilities
5	Functional Latrine Use	latuse_r	✓ = Yes, X = No	Use a tick (✓) if the household uses a functional latrine or (X) if the household does not use a functional latrine. The description of functional latrine will depend on whether it is in an urban area (slum or not) or rural area
6	Refuse Disposal Facility	refused	✓ = Yes, X = No	Record by marking a tick (✓) when the household has a refuse disposal facility or (X) when the household does not have a refuse disposal facility

DEATHS

NUMBER	ITEM	Variable Name	Domain values and Description	ITEM DESCRIPTION
AD	Date of Death	dod		Record date when the household member died (recorded as DD:MM:YY) for deaths within the last 6 months. An example of a date of death in the format is 31/07/14.
B*	Individual Code	individ_id		The number assigned by a CHV that identifies an individual in the household (in this case, a dead member). The code might not be available in case of still births or deaths occurring before household registration. But the death should still be recorded
C*	Name of Household Member	hhname		Record the individual names that identify the dead household member - Record at least THREE names. For example James Karani Bosire.
D*	Age	dage		Record the age of the dead household member at the last birth day, expressed in numbers. Age here must be indicated in years or months or days (record Y for years if age is more than 1 year e.g. 7 Y for 7 years, M for months if age is less than 12 months e.g. 10 M for 10 months and D for days if age is less than 30 days e.g. 16 D for 16 days)
E*	Sex	dsex	M = Male, F = Female	This should be recorded as M for male and F for female for the dead member
AE	Comments	dcomments		Include comments e.g. stillbirths, neonates or death before registration and any other information to make the entry more understandable, for example the reason why there is no individual code. For a new household registration, no code is given for a member who died before 6 months before registration. NOTE: Include only deaths occurring within the last 6 months
